**NOTIFICATION CONTAINING GUIDELINES FOR THE HON'BLE
CHIEF MINISTER'S MERIT SCHOLARSHIP SCHEME (HCMMSS)
FOR SCHOOL AND UNDERGRADUATE COURSES.**

1. BACKGROUND:-

The Hon'ble Chief Minister's Merit Scholarship Scheme (HCMMSS) was introduced in the year 2010 under the dynamic and visionary leadership of Hon'ble Chief Minister Shri Pawan Kumar Chamling, notified vide No.67/HRDD/HQ, Dated: 10th April 2012. HCMMSS is perhaps a most unique and historic scheme of all contemporary scholarship schemes prevailing in Indian sub-continent. It is indeed a monumental scheme envisaging the uplifting of children from Government Schools belonging to economically marginalised families after completion of Class V through a Competitive Examination and subsequently awarding their berth in reputed Schools within and outside of Sikkim. The aspiration of children belonging to marginalised families to study in elite private and public schools within and outside of Sikkim had been catered and nurtured by this scheme successfully and in its dividend, we can see the affirmative outcome in child-holistic development. The scheme engineered by the Hon'ble Chief Minister is an academic revolution predominantly one of its kind to be able to fulfil the aspiration of children to study and excel in one of the reputed Schools within and outside of Sikkim.

2. OBJECTIVES:-

The scheme has been started with a very noble objective to provide financial assistance to the meritorious students belonging to economically weaker families to study in the reputed Private and Public Schools within and Outside of Sikkim. The financial assistance in fact covers the entire expenses incurred on Students as levied by the concern School up to class XII. At the Graduation level, the financial assistance will be provided equivalent to the Government College rate subject to adjustment within the financial year. This arrangement is necessitated by the fact that the parents may not be able to bear the financial burden on their own.

3. SCOPE:-

A) School level.

The Hon'ble Chief Minister's Merit Scholarship Scheme is awarded on the basis of the results of written Examination. The school topper in Class V, enrolled in Government Schools from Class I to V is eligible to appear for the written Competitive Examination. Among all aspiring topper students appearing for the said Examination, only 50 (fifty) students are selected and awarded for the scholarship scheme on the basis of their written Examination.

B) Under Graduate level

The Hon'ble Chief Minister's Merit Scholarship Scheme extended up to Graduation level is awarded to the students, who have already been in the scheme till class XII and studied in the allotted Schools within or outside of Sikkim. The Students will have to secure admission of their choice based on prevailing Competitive Examination for professional courses or in Government Colleges or other Government Colleges through the State Quota seats available in various empanelled Colleges and Institutions. For private Institutions, the fee reimbursement shall be limited to that of equivalent Government Institutions fee.

4. ELIGIBILITY:-

- The Students from Government schools who studied from Class I-V and successfully passed out Class V Examination with 1st position are eligible to appear for the Scholarship Examination.
- The Students/Parents must be a COI holder of Sikkim.
- All necessary documents need to be submitted to the respective districts before applying and appearing for the Competitive Examination.
- The ceiling of age under this scholarship scheme is 11-12½ years subject to authentication by the school results and birth certificate respectively.

Further, the beneficiaries of HCMMSS enrolled within and outside of Sikkim, who qualify class XII Board Examination and intend to pursue their higher studies up to Graduation level are eligible under this extended HCMMS Scheme (Graduation Level) vide Notification No.1136/Exam/HRDD, Dated: 28/03/2017.

Once a student is selected, he/she will be eligible to get free education from class VI-XII in one of the reputed empanelled schools within and outside of Sikkim.

State level Competitive Examination will be conducted by the Examination Section (HRDD) for the selection of the 50 Students. The first 10 meritorious students (20%) will be selected purely on merit basis and the remaining 40 students (80%) will be selected

on the basis of the State Reservation Policy. The Joint Director (Exams) will draw up a merit list of scholars likely to be eligible for the scholarship as per their written Examination results. Thereafter, a programme will be conducted for Counselling-cum-allotment of seats in an open platform, where the students will be allowed to choose their preferred schools within and outside of Sikkim in accordance to the merit list. Once the seat allotment procedure is over, the students are not permitted to change their schools as selected at the time of counselling-cum-seat allotment session.

6. ALLOCATION OF SCHOLARSHIP-CUM-ALLOTMENT OF SEATS:-

The total number of the scholarship under this scheme has intake capacity of 50 Students, divided under Merit and Roster category. However, the seat intake capacity may differ from time to time in accordance with directives of the State Government. 50% of the Scholarship would be earmarked for girls and 50% for boys.
